

# Bozeman Stealer's Girls Fastpitch

Dear Potential Sponsor:

The Bozeman Stealer's Girls Fastpitch organization is for area athletes ages 9-17. In its short time as a program, the Stealers traveling team has grown from one squad to four teams, as of the 2007 season.

The intention of the Bozeman Stealer's Fastpitch Organization is to build a program that provides young female athletes the opportunity to participate in a competitive travel program, and to build life-skills.

We have carefully crafted the following mission statement and use it as the basis for the Bozeman Stealer's structure.

Bozeman Stealers Fastpitch is a non-profit organization designed to:

- enhance and cultivate player development;
- nurture teamwork, loyalty and dedication;
- teach respect for others, including coaches, teammates, parents, umpires and opponents;
- embody a competitive spirit which strives for success;
- instill a love for the game in a fun and safe environment.

As sports programs continue to grow in the Gallatin Valley, we have seen many individuals left behind because of the financial commitments required to participate. We have established a scholarship fund within our organization to help these athletes get the opportunity to compete.

Part of the commitment of every Stealer is to raise sponsorship moneies to offset costs of the program and help fund scholarships.

We hope that with your support, we can reach our goal of providing girls the opportunity to compete in a sport that can last a lifetime.

Thanks for your time and consideration,

Tom Schulz
